

THE KITCHEN STRAND AND MIELE

Presenting...

Baristas in Servicio

The Kitchen Strand and Miele are excited to expand their luxury barista service this 2009-10 charity season. After serving hundreds of espressos, caramel macchiato, lattes, Irish coffees and more at charity events last year, the designers and representatives became true baristas, and created a coffee experience to excite any connoisseur's taste buds.

The baristas served at events benefitting The Children's Home Society, Hospice of the Treasure Coast and ABLE Trust Fund, among others. Locations ranged from Vero Beach to the majestic Mar a Lago in Palm Beach. "It really is our pleasure," says Fred Bowen Smith, president of The Kitchen Strand, "to volunteer this unique barista service to charitable organizations, helping to support the volunteers, their supporters and the great work which they provide to our communities."

New for 2009-10, Miele's most recent generation of innovative coffee machines has been integrated into the bar. These sleek, engaging machines take the guesswork out of the most complicated layered drinks, like latte machiatto and frothy cappuccinos, at the touch of a button.

At an estimated value of \$8,000 per event, the number of donations is limited and reservations are always at a premium.

For more information or to request the baristas for your event, please contact Jean, Jennifer or Catie at The Kitchen Strand. 772-546-1306.
