Continued Success!

Exquisite Kitchens...
Closets, Baths & Libraries

We are proud to announce that **The Kitchen Strand** is celebrating eight years in business and recognition as one of the premiere luxury kitchen and bath design firms in South Florida. Fred, with the dual role of co-owner and designer, has over 20 years of industry experience.

Committed to offering exquisite custom designs, turn-key renovations and unparalleled service, we recently expanded our showroom. Stop in to see the elegant traditional and transitional cabinetry of Wm Ohs and acclaimed cabinetry manufactured by Plain & Fancy and Habersham.

Discriminating homeowners, builders, developers, architects and interior designers appreciate our unique, creative abilities, careful attention to detail and on-time delivery. Our goal is to build strong, lasting relationships one family at a time!
